23/05/19 - Door Step Seller in Cubbington

Please be aware that approximately 7:30pm on 21st May a male knocked on the door of an address in Kelvin Road, Cubbington and stated he was Ex Forces and was working for the charity 'Helping Hands' and was selling household items.

The male told the resident that if he managed to sell 2 items he would be provided a bed by the charity 'Helping Hands', thankfully the resident did not buy any items. The male had a large holdall bag. The resident had sensibly called 'Helping Hands' and they stated that they would not ask homeless people to knock on doors and sell items. The charity informed the resident that this was a scam and the police needed to be informed.

If you experience the above do not buy any items from the door step callers and report the incident to the police on 101.

22/05/19 - Call to look out for Kenilworth's Senior and Vulnerable Householders

LOOK OUT FOR KENILWORTH'S SENIOR & VULNERABLE MEMBERS OF THE COMMUNITY

Please be aware that there have been a number of incidents in Kenilworth over the past few days involving doorstep callers suggesting to householders that they need work doing on their home. These individuals have targeted more senior and in some cases vulnerable householders and consequently have tricked householders to pay money to them. One of the events involved a different method known as a 'courier scam'.

One householder was advised they needed to purchase several gift cards for an online internet search company to enable nuisance phone calls to stop being made to the householders phone and that these cards would be picked up at the address. Fortunately, alert shop staff questioned the householder when purchasing all the cards and immediately reported the matter.

Warwickshire Police's Safer Neighbourhood Team for Kenilworth are asking all householders to be aware of this and do not accept or agree to work by cold callers or follow up callers on the doorstep. They are also asking all people that call in or care for the more senior members of the community to be vigilant and where appropriate warn householders of this danger.

If you have any concerns or require any further advice please contact Kenilworth's Safer Neighbourhood Team on 01926 684404 or email; kenilworth.snt@warwickshire.pnn.police.uk
