24/10/18 - Halloween Advice for Residents

We want everyone to enjoy Halloween but some people may not want to take part and we have developed a few leaflets to help you in making the right decisions when it comes to Halloween celebrations.

Advice for those taking part in Trick or Treating.

If you're going trick or treating, make sure you go with an adult and your parent or carer knows where you're going and when to expect you back.

Be polite, courteous and respectful of people who don't wish to take part in the celebrations.

Respect posters asking you not to trick or treat at someone's house.

Don't go trick or treating alone - stay with your group.

Eggs and flour are for baking. Don't throw them.

Be careful crossing roads in the dark.

Advice for those who do not wish to receive 'Trick or Treat' visitors

Either download our 'No Trick or Treat Poster' or make your own - make the message clear but polite

If someone should knock your door, don't answer

If you are feeling threatened or intimidated by the behaviour of the trick or treaters call us on 101 for advice

Have a great Halloween!
