### 18/01/19 - Creative Writing Competition - Safer Internet Day 2019

**Warwickshire Police** have launched a creative writing competition for the young people of Warwickshire with Safer Internet Day 2019 which is on Tuesday 5th February 2019.

There are three age categories: 6 to 8, 9 to 11 and 12+. The competition is open to all young people who fit the age criteria and who live in and/or are educated in Warwickshire.

#### What you need to do

Write a creative piece - maybe a poem, a song or rap, or a short story piece - based on one or both of the Safer Internet Day 2019 themes:

- together for a better internet
- respect online
- #BeCyberKind

Your entry should encourage other young people to be safe on the internet whether they're using their smart phones, consoles, tablets or computers. So can you tell us what children and young people should think about, or what they should know, to be safer online?

Your entry must be up to (but no more than) 200 words and must be your own work.

You will need to write or type your entry on a sheet of A4 paper (unless you're entering online). Please write clearly. Remember to put your name, age, address and school on the back of your entry, so we know it is yours.

Please see the 3 posters linked to this article for more information. Please also pass onto friends, family and your child's school.
