### 31/01/18 - Phantom Debt Fraud Alert & Survey

**Phantom Debt Fraud Alert (January 2018)** - Action Fraud has recently experienced an increase in the number of calls to members of the public by fraudsters requesting payments for a "phantom" debt.

Please note that a link to the NFIB's feedback survey can be found at the end of every alert, or you can access it here: [www.surveymonkey.com/r/FeedbackSDU](http://www.surveymonkey.com/r/FeedbackSDU). The survey is only three questions long and should take no more than two minutes to complete. We would appreciate it if you would take a moment to let us know if an alert was particularly useful, or if you have any suggestions for improvement. If you have been forwarded this email and wish to be added to the distribution list for fraud alerts, please contact [NFIBOutputs@cityoflondon.pnn.police.uk](mailto:NFIBOutputs@cityoflondon.pnn.police.uk). You may also use this address to unsubscribe from our alerts.

To help you prevent fraud and/or to obtain details of our available courses, please contact the City of London Police Economic Crime Academy via our [website](#), visit our [Fraud Prevention Library](#), or view our [latest prospectus](#).

Kind Regards,

National Fraud Intelligence Bureau

## 29/01/18 - Make the Right Call

### Make the Right Call

Warwickshire Police have launched a series of help and advice pages and downloadable leaflets in the Contact us section on our website.

This information is there to support members of the public in 'making the right call' in the event of something happening and, to make the right call to the right service, first time.

This in turn will reduce the number of calls going in to the Warwickshire Police Communications Centre, meaning that the staff are available for the Grade 1 emergency calls and to reduce the waiting time for anyone calling in on 101.

Please click on the following link to see the information: [Make the Right Call](#)

***Please ignore the last message that I sent with the same title as I appear to have included a link to the West Mercia Police website rather than the Warwickshire Police website.***

***I offer my sincere apologies for any confusion caused.***
