19/09/18 - Make The Right Choice

The Safer Neighbourhood Team will be at the Fitness Station on Station Street in Atherstone on Thursday morning (20th September) between 8am and 12 noon to offer boxing and fitness training to the community. The event will be held alongside the national Knife Amnesty campaign that the local SNTs are supporting throughout the week and a knife amnesty bin will be available at the Fitness Station during the morning.

Pop over, improve your fitness, learn techniques, have fun and join in.

The knife amnesty is hoping to reduce knife crime and raise awareness on the damage caused to families and the wider community.

The operation will take place between the 18th and 24th September at various locations throughout North Warwickshire, Nuneaton and Bedworth where bins will be available for members of the community to surrender knives.
