Meet Your New Coleshill PC

Get Connected with Warwickshire Police

Atherstone and Coleshill SNT have been promoting Warwickshire Connected.

Get connected with what is happening in your local area, keep up to date and get involved in shaping what goes on where you live or work. Warwickshire Connected is a free messaging service brought to you by Warwickshire Police where you decide when and how you hear about the issues that matter most to you, whether that be getting regular crime updates, the latest information on ongoing incidents and emergencies or learning more about what your local police are doing.

This is also the place where you can get involved in helping to make your local area a safer place, tell us what police should be doing in your area, shape the initiatives that help to keep people and property safe and tell us what matters are causing your communities harm.

Follow the link to sign up today:

www.warwickshireconnected.com

Also please follow our Facebook page where we put updates of what Atherstone and Coleshill Safer Neighbourhood Teams get up to.

There are updates on going incidents, appeals and much more. We will be posting about upcoming events also so please take a look, see when they are and come along. We like to be as accessible as possible so using our social media page is a great way for us to communicate with our communities.

I am PC Pedley and I am the new Officer Joining Coleshill Safer Neighbourhood Team. I have been in Warwickshire Police for 7 years with 4-and-a-half-year experience on Response and 3 and a half years' experience on Bedworth Safer Neighbourhood Team. Whilst in these roles I have worked in Coleshill and have gathered a vast amount of experience in operations, warrants and public order situations such as protests, football matches and riots. I have also policed the Paris Olympics 2024.

I look forward to using my experience in Bedworth Safer Neighbourhood Team to Coleshill and becoming an engaging, friendly and proactive face.

Operations

Operation Corton -

We are carrying out an operation to tackle the illegal use and sale of nitrous oxide.

Inhaling nitrous oxide carries a range of health risks and is against the law. It is also a significant contributor to antisocial behaviour, and we are increasingly seeing cases of people driving while under its influence – in some instances with fatal consequences.

If you have information about where nitrous oxide is being used (discarded canisters are often a clear sign) or where it is being sold illegally, please report it.

Your reports help us plan targeted patrols and focus our efforts where they are most needed.

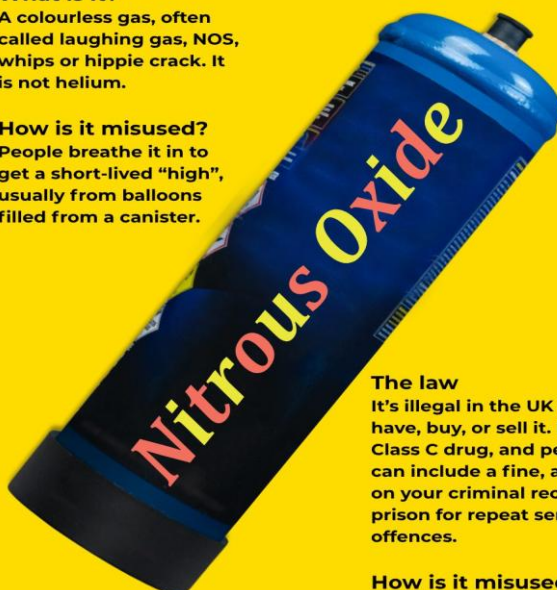

Know the facts

What is it?

A colourless gas, often called laughing gas, NOS, whips or hippie crack. It is not helium.

How is it misused?

People breathe it in to get a short-lived "high", usually from balloons filled from a canister.

The law

It's illegal in the UK to make, have, buy, or sell it. It's a Class C drug, and penalties can include a fine, a caution on your criminal record, or prison for repeat serious offences.

How is it misused?

People breathe it in to get a short-lived "high", usually from balloons filled from a canister.

OP VAWG – Violence Against Women and Girls.

OP YARD – What It Is and Why It Matters

Operation Yard is a targeted policing initiative focused on reducing HGV-related crime at motorway service stations and freight hubs. These locations are essential rest points for drivers, but they're also vulnerable to offences such as fuel theft, load interference, vehicle break-ins, and organised criminal activity.

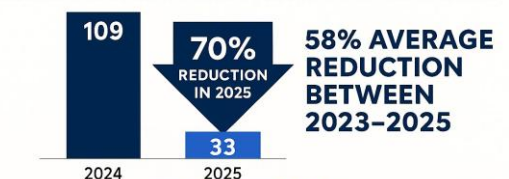

The purpose of Operation Yard is to:

- Protect HGV drivers and their cargo.
- Identify and disrupt offenders operating around service stations.
- Increase visibility and reassurance in high-risk areas.
- Gather intelligence linked to freight crime and organised networks.
- Work with partner agencies and service-station operators to improve safety.

Officers conduct patrols, speak with drivers, check vehicles linked to intelligence, and monitor behaviour around the services to spot early signs of criminal activity. By focusing on the places where HGV drivers rest and refuel, Operation Yard aims to keep the road network safer, prevent costly thefts, and support those who play a vital role in keeping goods moving across the country.

GOOD NEWS! REDUCTIONS IN FREIGHT CRIME AT CORLEY SERVICES

The number of offences decreased from 109 in 2024 to 33 in 2025.

LIKELY CAUSED BY:

Target hardening at the services

Police activity at and in the vicinity of the services

DOB EM IN

E-Scooters:-

You can ride a privately owned e-bike in public without a licence if you are over fourteen, but it must meet certain requirements.

They must have a maximum power output of 250 watts and a maximum speed of 15.5mph.

They also must be pedal assisted, meaning you must pedal for the motor to kick in, rather than simply pressing a button or twisting a throttle.

If they do not meet these criteria, they are classed as a motorbike or moped so must be registered, taxed, and insured, while riders must hold a licence or wear a helmet.

Police have powers to seize e-scooters and e-bikes that do not comply under Section 1658A of the Road Traffic Act 1988, having a vehicle on the road without insurance.

The offence can result in a criminal prosecution, typically attracting six penalty points when dealt with in court, however it is dealt with simply by way of seizure.

If you witness someone riding an off-road bike in an antisocial manner, please report them through the QR code below.

Operation Rosepool – Tackling Off-Road Bike ASB

Operation Rosepool is a dedicated policing operation focused on tackling **anti-social behaviour involving off-road bikes**. We know how disruptive illegal, or irresponsible off-road bike use can be to our communities — from noise and intimidation to damage of parks, fields, and public spaces.

Through Op Rosepool, officers are working proactively to:

- **Identify and target** individuals using off-road bikes illegally or dangerously
- **Seize uninsured or unroadworthy bikes**
- **Increase patrols in hotspot areas**
- **Gather intelligence** from the community to support enforcement
- **Work with partners** to reduce long-term harm and keep public spaces safe

Our aim is simple: **to reduce harm, prevent anti-social behaviour, and protect communities** from the ongoing issues caused by nuisance off-road bikes. If you have information that could support Operation Rosepool, please report it via our usual channels. Your information helps us take action.

As many may have experienced within the local community, the rise in **Anti-social behaviour** involving a large number of **motorbikes**.

Most of these bikes are driven illegally without insurance and pose a danger to the community. Therefore, we need to encourage the community to inform us of these concerns with as much information as possible so we can get these bikes off the streets and crushed.

We can also issue the driver a Section 59 which grants us the powers to seize and remove vehicles that are being used to cause alarm, distress, or annoyance, careless or inconsiderate manner and off-road driving, this will last for 12 months. A section 59 also applies to both the driver and the vehicle so even if someone else drives the same vehicle in an anti-social manner, we can still enforce it.

To report an incident regarding a ASB Bike or vehicle, please call 101 or you can make an online report via our Warwickshire Police website. You can also go on the DOB EM IN website, which is www.warwickshire.gov.uk/dobemin.

Operation Rosepool – Tackling Off-Road Bike ASB

Stolen Motorcycles - Recovered in Atherstone

Officers from Atherstone Safer Neighbourhood Team (SNT) and the Warwickshire Rural Crime Team have successfully recovered two stolen motorcycles in Atherstone this afternoon.

At 12:53hrs on 01/04/2026, we received a report of a motorcycle theft from an address overnight in Hurley. Thanks to swift action by officers and valuable information provided by the victim, not one, but two stolen motorcycles were located and recovered in under ninety minutes!

Both owners have now been notified, and enquiries into the circumstances surrounding the thefts are ongoing.

Bobbies on the Beat

03/06/2026 PCSO Bradley made his first appearance assisting Race Meadow Primary School and made sure no one was parking causing an obstruction or dangerously. PCSO Bradley will be covering Coleshill and the surrounding villages, so please say hi if you see him out and about!

04/05/2026 Officers have had an abandoned vehicle removed after residents reported it had been left there for a few months. Whilst doing checks it was identified that the vehicle had No MOT, had been SORN off the road and had no insurance so the vehicle was removed and reported to the DVLA for been parked on a public highway whilst been SORN.

04/06/2026 PC Taylor PCSO Bradley & Scott have attended Rubys Yard in Atherstone as part of a Neighbourhood Watch Scheme organised by the residents.

This was well attended throughout the morning with lots of crime prevention advice given to the residents and security products.

06-07/06/2026 the Atherstone team attended the Atherstone big weekender, engaging with the community and stalls.

Bobbies on the Beat

On the evening of 10/06/2026 PCSO Rygielski has been out patrolling around Atherstone, the parks, and visiting the Ratcliffe road Youth centre. Charlotte, Justin and all the kids are always so welcoming and have so much to chat about. PCSO Rygielski engaged with so many of the kids, participating in planting some seeds, chatting about GCSE's, Mocks and future careers.

The talent that the kids show in the centre is truly magnificent, as I am sure many would agree with some of the artwork that has been produced this evening.

I am looking forward to seeing how well they look after my plant once it starts to flower and watching them all flower in themselves on their next stages of learning.

11/06/2026 Atherstone SNT were alerted by a keen-eyed member of public on Cooks Close. This has been reunited thanks to the power of social media and members of public. Thank you all involved, as this has been reunited with its rightful owners.

13/06/2026 Coleshill Safer Neighbourhood Police attended the Fillongley Fayre, where they were engaging with residents and visitors throughout the afternoon.

17/06/2026 PCSO Bradley has been out on foot patrols today getting to know his new areas. If you see him out and about, don't forget to stop for a chat!

Bobbies on the Beat

21/06/2026 police have seized another uninsured vehicle. The driver who is a provisional licence holder decided it would be good to pop to the shops for some frozen items, but local SNT were in the area, and the driver would get a bigger chill when police pulled up behind.

The car is now seized and the driver reported for the offences.

Officers the evening of 21/06/2026 have been patrolling various locations in North Warwickshire sun.

Lovely to see some of the mainly England 🇬🇧 flags out on display though we did spot a solitary Scotland 🇪🇸 flag on our travels in Ridge Lane.

The winner of the largest flag was in Water Orton 🏆. Whilst out patrolling a vehicle was seized from a female who was driving without a licence in the Atherstone area.

The morning of 18/06/2026 Pcsos Rygielski, Payne and Bradley attended Race-meadow primary school, where we delivered a presentation to year 5 & 6.

The children were so engaging asking us many questions, some of which historically we hadn't been asked.

Thank you to everyone for making our morning such an enjoyable one.

Evening of 21/06/2026 in between attending incidents officers have been out on area patrolling locations that have previously been highlighted to us regarding the use of nitrous oxide. These patrols are part of OP CORTON which will be conducted on a regular basis as we look to act against the use of nitrous oxide in our communities, it is often that users under the influence then proceed to drive in the area putting others at serious risk.

This evening the following locations have been patrolled:

- Maud Road Garages - Water Orton
- B4116 layby
- Packington Lane, Coleshill
- Fillongley
- Ansley
- Maxstoke

Whilst out conducting patrols a vehicle was seized for driving offences.

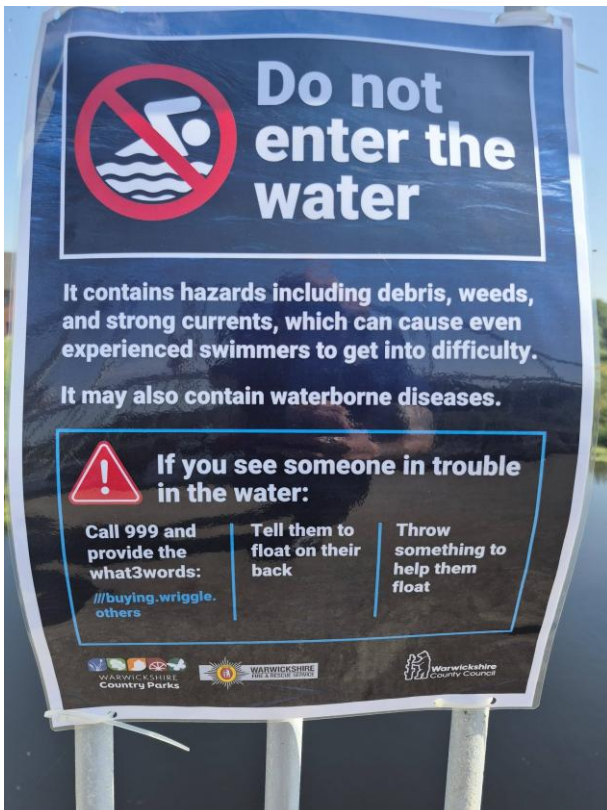

Bobbies on the Beat

22/06/2026 PCSO Rygelski & Scott have been on foot patrol around Ablesway Industrial Estate, Atherstone engaging with business offering crime prevention advice to companies.

This was after an industrial unit was targeted over the weekend by burglars causing considerable damage to the building and its contents.

The evening of 25/06/2026 PCSOs Thompson and Bradley have been out and about conducting high visibility patrols around the local open water areas to deter anyone tempted to use them to cool off during the heatwave and advice was given where necessary.

25/06/2026 PC 2300 Thompson and PC 1372 Breeze attended Coleshill parish council meeting at Coleshill town hall.

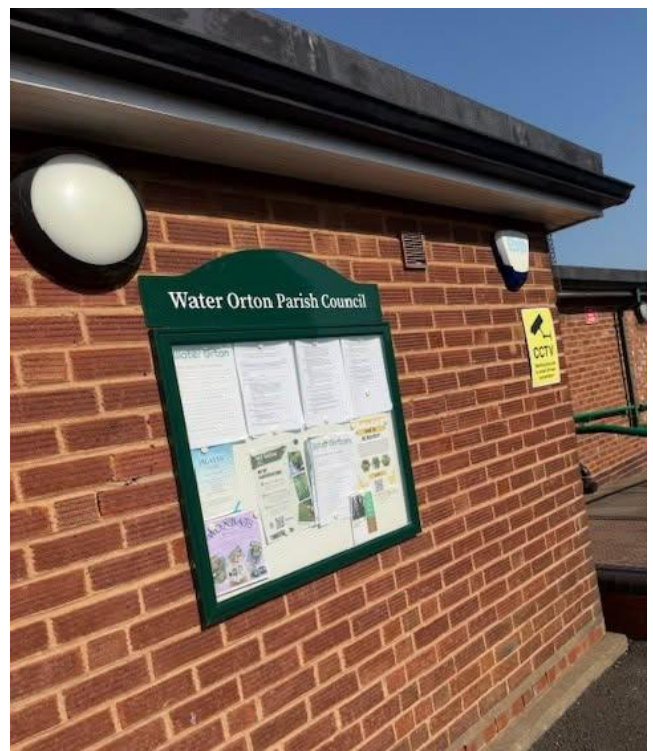

Officers attended the meeting to give an update on incidents of note that have occurred in the area lately as well as taking on feedback and information from attendee residents and members of the parish council.

25/06/2026 local officer for Water Orton PC 2300 Thompson has attended the Water Orton parish council meeting.

PC 2300 Thompson gave an update on incidents that have occurred in the village recently as well as events the SNT have attended including Water Orton carnival and Water Orton primary school careers day.

Parking issues on Birmingham Road were discussed; the ongoing parking issue is something officers are ticketing for when appropriate. This week PC 2300 Thompson and PC 1372 Breeze have placed banners in the area asking road users not to illegally park in the area which can put other road users and pedestrians at risk.

Bobbies on the Beat

The afternoon of 26/06/2026 PC 2300 Thompson and PC 1372 Breeze have attended Curdworth 'Cuppa with a copper' event which was held at Curdworth Village Hall. They were joined by North Warwickshire neighbourhood watch, Warwickshire Vision Support and Citizens advice. Thank you so much to all residents who took the time and effort to come along to today's event. Despite the extreme high temperatures, the day was a busy and successful event with a lot of residents coming along where they have spoken with all agencies here alongside the Police. Officers have given crime prevention advice to residents, alongside North Warwickshire neighbourhood watch we have given out a high quantity of crime prevention kit which is the purpose for the events we put on for residents.

Keep an eye out on our Facebook page and Warwickshire Connected for future events in various towns and villages in the North Warwickshire area.

26/06/2026 Officers have been on patrol offering safety advice regarding open water safety.

Officers have responded to two calls for concern for persons in open water. Thankfully nobody was hurt and officers provided advice to these people of the dangers. Some of the areas attended include:

Kingsbury water park, Shustoke reservoir, Mancetter Quarry, River Anker in Atherstone, Ensor pool Nuneaton, Bayton Lake Bedworth.

OP OAKENHOLT-Safety around open water

As you may have noticed a lot of what the officer have done this month is to do with open waters, and we from the police would like to remind you that During hot weather, open water can be dangerous. If you see someone in trouble in open water (sea, lake, river), your priority is **their safety AND yours**. Many rescuers get into danger themselves, so act carefully:

- 🚒 **1. Call for Help Immediately**
 - **Shout to alert others nearby**
 - **Dial emergency services(999)** and ask for the Coastguard if it's coastal water
 - Give **clear location details** (landmarks, beach name, or GPS if possible)
- 🚫 **2. Don't Jump In Unless Trained**
 - Avoid entering the water unless you're trained in water rescue and it's safe
 - Panicked swimmers can accidentally pull rescuers under
- 🧭 **3. Follow the "Reach, Throw, Don't Go" Rule**
- ✅ **Reach**
 - If close to shore, use something long:
 - Stick, pole, oar, towel, clothing
 - Lie down while reaching to avoid being pulled in
- ✅ **Throw**
 - Throw anything that floats:
 - Lifebuoy, life jacket, empty bottle, cooler, football
 - Keep talking to them: *"Grab this—stay calm!"*
- 🧠 **4. Keep Them Calm**
 - Shout clear instructions:
 - "Float on your back"
 - "Try to stay still"
 - Encourage them to conserve energy
- 🔍 **5. Watch for Dangers**
 - Currents (like **rip currents**) can pull people away from shore
 - If caught:
 - Tell them to **float and swim parallel to shore**, not against the current
- 🧑 **6. Guide Rescuers**
 - Keep eyes on the person at all times
 - Point them out continuously to emergency services (they're easy to lose sight of)
- ❤️ **7. After Rescue**

If they're brought out of the water:

 - Check breathing immediately
 - Start **CPR if needed**
 - Keep them warm (dry clothes/blankets)
- ✅ **Key takeaway:**
 - 👉 **Help without becoming the next casualty** — use objects, call for help, and guide rather than jumping in unprepared.

Arrests and Outcomes

29/05/2026 A male from Coleshill has been charged and remanded into custody following an incident on Wilmot Avenue yesterday evening.

The incident occurred at around 5:30pm and involved a member of the public allegedly being threatened with a bladed article in a public place.

The suspect was swiftly arrested, and enquiries carried out by the Atherstone Safer Neighbourhood Team assisted in securing the charges.

Further investigation by officers from Atherstone also uncovered an unrelated incident on Coventry Road, Coleshill yesterday morning, in which a vehicle was targeted in an attempted theft. The man will also be interviewed in connection with these offences.

He will appear before the next available court and will remain in custody until then.

We understand that incidents of this nature, particularly those involving weapons, can cause concern within the local community. While the suspect has now been remanded into custody, officers will continue to carry out additional high-visibility patrols in the area to provide reassurance and support to residents.

A female has been sentenced to a 12-month suspended sentence after been found guilty of shop theft from the Coop, Long Street, Atherstone and failing to attend a Drug referral.

Thanks to the Town CCTV for their support with the arrest of suspect

24/06/2026 A male has been arrested in Packington Lane, Coleshill last night after assaulting a police officer and for damaging a window.

The male is still in custody and will be interviewed when sober.

24/06/2026 Officers found this amongst other rooms in a house on the outskirts of Ansley yesterday morning. Investigation is ongoing and 23/27366/26 relates.

Coleshill house burglary arrest.

A male is still in custody this morning after being disturbed at 02:00 hours this morning attempting to break into a house in central Coleshill area.

A key safe was broken into and offender(s) disturbed in a garden trying to gain access to the property.

The male was caught swiftly by officers near to the address

He was very sweaty wearing gloves in the heat (guessing he was cold.....) trying to run away from the scene.

Incident number 28 - 27/6/26 relates and any information please let us know on 101 or online.

Community Engagement

09/06/2026 we have had a very successful multi agency meeting around road safety on Witherley Road outside the TQEA Academy.

As part of the development of the new building that replaces the 6 portacabin's a sum of money known as a 106 was allocated by the planning board at North Warwickshire Borough Council and paid by the developer for a scheme to address the issues when the students leave the school and swarm over the road outside.

The Site visit that was held today consisted of PCSO Gavin Scott, Warwickshire County Councillor Rob Gisbourne, North Warwickshire Borough Councillor Ray Jarvis, Alison Morris Principal TQEA, and Chris Round County Council highways engineer.

We discussed at length the problems that exist, Access, Drainage, Footpath conditions and foremost in our minds the safety of the students.

Chris has now taken the learning away and initially will do a draft design for approval before the final designs and the scheme implemented.

To provide a School Safety Zone fronting the site within an advisory 20mph speed limit, interactive signs and associated signing and lining.

Towards resurfacing and widening of the traffic-free tarmac path between the school and new A5 footbridge, removing all trip hazards.

Towards the creation of a continuous segregated pedestrian route along Witherley Road past the school entrance and car park entrance to join the traffic free section of path.

13/06/2026 What a great day it has been at **Warton Carnival!**

We were invited to be part of the procession for the third year in a row. Each year the carnival seems to become more popular, with a great turnout of families.

Thank you to the organisers for making this such a successful event!

15/06/2026 This week is Neighbourhood Police week, and this is the day in the life of Atherstone SNT officers

High visibility patrols at the Queen Elizabeth academy engaging with staff and pupils.

Anti-Social behaviour reports in North Street have been raised by a concerned resident. Some youths have been identified and several homes visited.

Junior PCSOs at Outwoods school, where joined by PD Roodey & his handler PC Bonser to learn how our four-legged friends assist the police in everyday duties.

Atherstone train station reports of suicidal male, PCSOs attended, and male safely removed from the platform and handed over to mental health team and Ambulance service.

High vis foot patrol around Coleshill town centre engaging with several business. Whilst on patrol stopped by a member of public raising concerns of welfare. Officers deployed. Assist with stranded motorist on Blythe Road, Coleshill.

Atherstone town high visibility patrols around Atherstone town centre promoting the retail radio. Welcome to Cuckoo who are trailing the CCTV radio.

Community Engagement

North Warwickshire officers attended the Big Day Out - Polesworth Park to Park.

It was a well-attended by families at both parks... lots of fun, even for big kids.

The afternoon of 20/06/2026 PC 2300 Thompson and PCSO 8810 Mitchell from Coleshill safer neighbourhood team attended Water Orton Carnival.

A brilliant afternoon which provided us the opportunity to speak to many residents, it was great to see the whole community coming together for the annual event.

This week 15/06/2026 PC 2300 Thompson and PC 1372 Breeze from Coleshill safer neighbourhood team carried on with a tradition that has been ongoing for over 20 years, participating in 'Hurley Police week'.

Throughout the week officers have been into Hurley Primary school and spent the week with the year 6 students, the students have been learning all about the role of a Police officer and what is entailed in the day-to-day role. Students have participated in many practical sessions including running the Police fitness test, using breathalysers and metal detection equipment alongside learning the Police caution and phonetic alphabet.

We also were joined on Thursday morning by firefighters from Atherstone fire station who gave a useful and important input to the children regarding water safety. In this morning the children were informed about the dangers of swimming in open water and rivers and were also shown equipment in which the fire service use when dealing with water related incidents.

This has been a thoroughly enjoyable week with all students showing great enthusiasm, the effort they applied throughout the week was brilliant to see. We look forward to next year's Hurley Police week and wish the year 6 students all the best with their next journey at secondary school in September.

23/06/2026 Atherstone safer neighbourhood team are at Hartshill academy for their careers fair.

Over the course of the day all the pupils will get a chance to speak to PCSO's about the different careers available to anyone wanting to join.

Up Coming Community Engagement Events!

We have a VAWG (Violence Against Women and Girls) at Dordon, Kitwood Ave on the 04/07/2026 16:00 and in Atherstone, Market Square on the 19/07/2026 15:00.

A go out stay safe to take place in Coleshill on the 03/07/2026

Atherstone are hosting a 'Cuppa with a Copper' Event on 15/07/2026 at St. Benedict's Church at 14:00

PCSO Rygielski Atherstone & Coleshill safer neighbourhoods' team are hosting a Facebook live on the 04/07/2026

Coleshill are hosting a 'Cuppa with a Copper' event on the 24/07/2026 at Kingsbury at 10:00

We want to know what you think!

Atherstone and Coleshill SNT are community-based officers. We want to know what our communities would like to see us prioritising.

If you would like to raise a priority with us, click on the link and fill out the form:

<https://forms.office.com/Pages/ResponsePage.aspx?id=tq8ko-8K90eih5grpzEdigTsBhM7-tZMvpdBw6ruq09UN0oyV0IRVVcxUkRUMEFFMTBIWFBDWk5BWC4u>

or scan the QR code and fill in the boxes for it to be considered.

Vehicle Crime awareness

Theft from cars is one of the local policing teams priorities.

We have made numerous linked arrests recently and conducted various operations but one of the main targets for criminals is unlocked vehicles.

Please make sure your vehicle and property are secure.

Community Speed Watch

PCSO Yaqub has been training volunteers for speed watch this month.

This month, the speed watch teams have been out conducting speed checks in the villages. The community speed watch groups are a valued part of our communities. They take time out of their lives to help make our communities safe on the roads. If you would like to sign up to be a member of your local speed watch group, email nws.snt@warwickshire.police.uk

We are looking to set up more speed watch groups in the villages that don't have them. If you would like to put your name forward to be trained, please email the above email address. We will be looking to get volunteers trained in November, so apply now so you don't miss your chance!

E-Scooters

Electrical scooters (also known as e-scooters) come under the category of 'powered transporters'. This covers a range of personal transport devices that are powered by a motor.

E-scooters are classed as motor vehicles under the Road Traffic Act 1988. This means the rules that apply to motor vehicles, also apply to e-scooters including the need to have a licence and insurance. There are two ways of using an e-scooter:

- by privately owning one
- by renting one through an authorised rental scheme

Owning your own e-scooter

It's not currently possible to get insurance for privately owned e-scooters. This means it's illegal to use them on the road or in public spaces, such as parks, street pavements, and shopping centres. If you use a privately-owned e-scooter in public, you risk the vehicle being seized under S.165 Road Traffic Act 1988 for having no insurance. If you cause serious harm to another person whilst riding an e-scooter, the incident will be investigated in the same way it would if you were riding a motorcycle or driving a car. Where you can use your own e-scooter: If you own an e-scooter, you can only use it in on private land, such as in a garden. But you must have the permission of the landowner to do so.

Vehicle Crime

Do you have a keyless entry vehicle?

Thieves can steal your keyless vehicle by hijacking and amplifying the signal from your start device (key) in order to start your vehicle.

Help to protect your vehicle by:

- Make sure your vehicle is properly locked/secure and keep your key away from doors and windows. This will reduce the chance of criminals amplifying the signal.
- Some keys have a function allowing them to be turned off. Check your manual to see if yours does and then use it.
- Use some kind of physical barrier such as a steering wheel lock (preferably a disk lock), instal a driving parking post or use a wheel clamp. This will deter many criminals as it will be time consuming for them to move the vehicle.
- Fit a tracking device into your vehicle.
- Keep your keys in a Faraday bag to block the signal to your keys.
- Remove batteries from your spare key or put them in a separate Faraday pouch.
-

And remember to be on the lookout for people acting suspiciously and report it by calling 999!

The Atherstone & Coleshill safer neighbourhood teams have been delivering faraday pouches.

These have been distributed around some of our high targeted areas. The pouches have very kindly been purchased by North Warwickshire Borough Council, in our steps to tackling vehicle crime.

We believe a joint approach is key when tackling crime. We have received lots of great comments from residents, many of whom we have been able to offer lots of crime prevention information to.

Remember if you see something, even if you believe it to be small, let us know via 101 or <https://www.warwickshire.police.uk/>

If you would like a faraday pouch, please email nwe.snt@warwickshire.police.uk with your address and contact details.

Initial police response to vehicle crime.

Initial call managed by either LPRC or control room and if the incident is live and ongoing seek immediate deployment.

During the initial contact, the call taker will provide reassurance and discuss all investigative opportunities such as CCTV, Witnesses, Forensic opportunities with the victim or witness.

These questions and responses will be documented on the Strom log, and an investigation is then created.

Call taker will provide scene preservation advice to the victim.

Should there be no investigative opportunities the investigation will be sent to the CCC to complete and record a review and ensure that all investigative opportunities have been considered.

At this stage a decision will be made to either file the investigation if there are no further opportunities to pursue a positive outcome or allocate to an officer with an action plan should further potential investigative opportunities exist to seek a positive outcome.

Facts:

- Keyless entry vehicles are twice as likely to be stolen.
- The average van carries up to £2500 worth of tools.

Protect your property!!
