Alcester Police SNTs. Latest Weekly Report. Sunday 29th June 2025

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of 2 Police officers and 5 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Reporting incidents to the police

Social media and messaging apps have become a useful tool in letting people know of crime, suspicious behaviour, and anti-social behaviour etc to neighbours, friends and local community groups **BUT** we definitely would like to know first.

Time and information can be crucial in determining the correct response to an incident. There is also the possibility that offenders and evidence could be lost.

Our advice is – Contact us first, then consider your social media response.

Say hello to your local policing team

We're shining a light on neighbourhood policing in Warwickshire this summer and hoping to get to know more people across our communities. We want to show you where we are, how to contact us, and what we're doing to help. Our Safer Neighbourhood Teams are based across the county, dedicated to serving our communities. We are working with you, with local authorities, and with community leaders to solve problems and understand what's important to you.

Why does this matter? - We know that collaboration between police and communities is one of the best ways to cut crime and keep people safe. Effective local policing is about more than just fighting crime, it's about building relationships, understanding local concerns and being where it matters most. Your input helps shape what we do to tackle crime and bring offenders to justice so we're listening and want you to tell us what's important to you.

How do you get in touch? - Pop your postcode into our website at Home | Warwickshire Police to see who's who in your local policing team, get in touch and find out what they're doing in your area. <https://www.warwickshire.police.uk/>

Tell us what matters to you via our quick local priority survey to help make your neighbourhood better.
