Community Update

Hi from Nuneaton and Bedworth Safer Neighbourhood Team!

I would like to start again by thanking the local community for their support and continued commitment to helping prevent the spread of coronavirus and following government Covid-19 guidelines. As the country has had to be in lockdown, and juggle home schooling with work commitments we look forward to better times ahead. We now welcome some relaxation to lockdown and as the lighter nights and spring and summer approach, we have lots to look forward to hopefully. We just need to maintain our focus. It is really important to abide by the rules set in place to ensure we all have a safe and enjoyable upcoming year. If anyone is in any doubt, please refer to the government websites for guidance.

My teams in Nuneaton and Bedworth have worked extremely hard during the winter and early spring months, dealing with all sorts of incidents including the return to school traffic and parking issues. Bedworth and Nuneaton have had a real drive on this and have been educating parents and motorists rather than enforcing. However, the message is clear, abide by the rules or face enforcement.

March has been a very busy month on more typical issues, including dealing with COVID related incidents and ensuring the community and the vulnerable are taken care of. Some officers were deployed on separate operations covering our area with numerous drugs warrants taking place, yielding some excellent results. One particular warrant saw £14.5k worth of class A drugs seized and taken off the streets.

Also worthy of note is the amount of patrols the team have been doing on foot patrols. They often publicise the miles they walk through your neighbourhoods on the Police FB site. Some of the PCSO's have walked on average 10 miles every day, and also on their cycles.

We continue with the Facebook live event. However, due to the elections coming up, this has been paused until the conclusion. These have really well received and had some great reviews, if you were involved, thanks for your participation, if not, please try and join us next time.

Thanks – Sergeant Andy Scruton

Stay safe, look out for each other and help protect lives

Nuneaton Town & Central Activity

DRUGS WARRANT

Earlier this month, PC Cooper and PC Roberts from your Town & Central SNT Team worked with the Offender Management Unit to execute a drugs warrant in Stanley Road. As a result, two people were arrested on suspicion of possession with intent to supply class A drugs and a third person was arrested for possession of a class A drug.

STOP SEARCH

PC Andy Morrissey and PCSO Charley Payne came across a male who was suspected of drug dealing whilst using push bikes to cover the Central beat area. A positive stop search was conducted on the male and he was found to be in possession of Class A drugs. As a result, he was arrested for possession with intent to supply. The male was interviewed and house searches were carried out, he was later charged with possession of Class A drugs and 2 other offences.

NOTICES / WARNINGS

Your Town Centre PCSO, Kerry Owens, has issued 1 ASB warning letter for anti-social behaviour that she has witnessed whilst on patrols. These letters are addressed to the parent/guardian of the youth, to make them aware of the problems that their child has been causing. This positive approach allows parents to step in and try to help us stop the behaviour before it escalates.

PCSO Owens continues to tackle the issue with beggars in town, due to begging being an offence. She has issued 1 begging notice this month in Nuneaton Town Centre.

Distance
10.72 km

Elevation Gain
84 m

COVID PATROLS

As always the Nuneaton Central team have been out on foot conducting COVID patrols. They have walked and cycled many miles every day to ensure that everyone is following the Government Guidelines and have been dealing with those who haven't accordingly, whilst also dealing with non-emergency incidents for their beat areas.

Stay safe, look out for each other and help protect lives

Update On Our Priorities

LIFTING OF LOCKDOWN

You will all be aware that lockdown will be lifted as of Monday 12th April. This means that the town centre will become much busier than it has been over the past few months, with shops and businesses reopening to members of the public. As a result of this, the Nuneaton PCs and PCSOs will be conducting targeted patrols around the town centre during shop opening hours. These patrols are aimed to deter shop lifters and ASB as well as ensure that the public are adhering to social distancing.

OFF-ROAD BIKES

As always, our off-road bikes team are working to tackle the nuisance riders all around Nuneaton and Bedworth. In order for them to know which areas are having issues with off-road bikes, we need members of the public to report sightings with as much information as possible. The reports can be made via www.warwickshire.gov.uk/dobemin.

LOCKDOWN POEMS

We thought that it would be nice to bring some joy to the children of Nuneaton by hosting a competition for those aged under 12.

To enter the competition, all you have to do is write a poem about your experience during lockdown. We'd like to hear all about what YOU have done to keep yourself entertained whilst staying safe at home!

Please send all poem entries to Kerry.Owens@warwickshire.pnn.police.uk

OR

If you would prefer, you can drop the poem off to Nuneaton Police Station front office and mark it for the attention of PCSO Kerry Owens or PCSO Mollie Thompson.

The winners will receive a small prize from your Nuneaton Town & Central SNT Team and the poems will be published on our up-coming newsletters! GOOD LUCK 😊

Stay safe, look out for each other and help protect lives

Monthly Message from your Beat Managers...

As the Town & Central team continue to patrol the area, we look forward to lockdown restrictions being lifted so that we are once again able to converse with our community. It is very important to us to continue to protect our community and keep all you safe from harm.

We have worked jointly with other departments to execute a warrant which was extremely successful – you said, we did! Keep the great intelligence coming, as this is what allows us to be able to make these things happen.

Please feel free to stop and have a chat with any of the team when you see us out and about.

CRIME PREVENTION ADVICE ON DOG THEFT

As many have noticed, over the past month or so we have seen an increase in dog thefts around the country – many of which have been close to home. Here are some tips to keep your dog as safe as possible from potential thieves...

- Keep your blinds/curtains closed when leaving your dog alone in the house
- Never let your dog out in the garden unattended
- Never leave your dog in a car unattended
- Never leave your dog outside shops unattended whilst you go inside – even if you're just popping in for a minute!
- Do not post photos/videos of your dog on social media groups where people you don't know can view them
- Be cautious where you let your dog off the lead – ensure that you can see your dog at all times when on walks
- Change the routes/times that you take your dog on a walk so that no one can get to know your walking routine
- When possible, do not walk your dog alone
- Ensure your dog is microchipped and all details are up to date (this is a legal requirement)

IF YOU WITNESS ANYONE ACTING SUSPICIOUSLY AROUND YOUR DOGS OR YOUR PROPERTY, PLEASE CALL 101 (non-emergency) OR 999 (emergency) STRAIGHT AWAY TO REPORT IT. GET AS MANY DETAILS AS YOU CAN – description of people, car registration numbers, etc.

Stay safe, look out for each other and help protect lives
