You can also check to see the roads that have already been checked and the outcome.

STOP! THINK FRAUD

Giving you the knowledge and tools you need to stay ahead of scams.

Fraudsters aren't fussy. They'll pick on anyone.

Nobody is immune from fraud. The criminals behind it target people online and in their homes, often emotionally manipulating their victims before they steal money or personal data.

But there is something we can do. By staying vigilant and always taking a moment to stop, think and check whenever we're approached, we can help to protect ourselves and each other from fraud.

Did you know?

In just one year, 1 in 17 adults were victims of fraud
