**From the Sergeant – Andy Scruton**

I would like to start again by thanking the local community for their support and continued commitment to helping prevent the spread of coronavirus and following government Covid-19 guidelines. As the country prepares for the Christmas holidays it is really important to abide by the rules set in place to ensure we all have a safe and enjoyable holiday. If anyone is in any doubt, please refer to the government websites for guidance.

My staff are currently working around the clock in order to Police this, whilst reassuring the more vulnerable at the same time.

My teams in Nuneaton and Bedworth are working extremely hard in the run up to Christmas with several initiatives planned, such as a national drink drive campaign, extra patrols for vehicle crime and burglaries and general reassurance around schools and the parking issues.

A special initiative that is being rolled out again this year is the '12 Days of Christmas', this is a set of events that are planned to ensure safety and advice in the Christmas advent. Every day there will be different themes and events ranging from purse bells to general safety advice. Please see social media to keep posted on what is happening in your areas.

Last month there was an exciting new feature, the Facebook live event. This was really well received and had some great reviews, if you were involved, thanks for your participation, if not, please try and join us next time.

Hopefully 2021 will bring better fortunes than 2020!

Merry Christmas to you all and a Happy and Healthy New Year.

## Out and about with Bedworth West SNT

Drugs Warrant - Executed at an address on Newtown Road. Two people arrested for possession with intent to supply. They have been released under investigation whilst enquires are ongoing.

Car doors – several hundred car door handles tried throughout the month. On average 10% of vehicles left insecure and valuables accessible for theft. All keepers spoken with and were very happy they had been notified.

- Male wanted on recall located and returned to prison to serve the remainder of his sentence.
- Op Cera: We are continuing to patrol hot spot areas whereby groups of youths who gather, to then go on to cause ASB, are targeted and dispersed. We are looking to engage with the youths to see what help/guidance we can offer them as they progress towards early adult life

## Update on our priorities....

- Covid-19 Breaches - High visibility patrols around the local shops and stores. Advice given where required but all in all very happy with peoples attitude towards the pandemic.
- Vehicle Crime - several hundred car door handles tried throughout the month. On average 10% of vehicles left insecure and valuables accessible for theft. All keepers spoken with and very happy.
- Burglary – The team continue to gather intelligence and patrol hotspot areas.
- Speeding - Two hot spot areas were patrolled and speed gun used to issue warnings to those failing to adhere to the speed limit.
- School Parking Patrol - A further 28 tickets were given out this month for parking offences for unnecessary obstruction of the highway.
- Fly Tipping – The team continue to patrol hot spot areas. Please report via 101 if you witness flytipping.

If you have any suggestions or concerns regarding the above, please do not hesitate to make contact with the team.

**Monthly Message from Beat Manager PC Naughton**

Hello all, thank you for taking the time to read through our progress so far this month. In the upcoming weeks, we have more operations and warrants in the pipeline which will focus more on vehicle crime, increase in burglaries and drug warrants.

The team and I are hoping you are all well, staying safe, continuing to abide by government guidelines and we will all be rewarded by some much needed family time during the upcoming festive period.

The team and I would like to wish you all a very Merry Christmas and a safe new year!

If you think you may have seen or heard anything suspicious or have any information about this incident then please call Warwickshire Police on 101 or alternatively you can call Crimestoppers anonymously on 0800 555 111

## Burglary Crime Prevention

**We all want our homes to be safe and by taking just a few simple steps you can reduce the risk of becoming a victim of burglary. Homes with no security measures in place are far more likely to be targeted, so what are you waiting for? ...start making changes now!**

- Close and lock your doors and windows when you go out, even if you are just in the garden.
- Hide all keys, including car keys, out of sight and away from the letterbox (remember a device could be used to hook keys through the letterbox)
- Fit an intruder alarm in a visible place and test it frequently.
- Install security lights.
- Leave a radio or light on timer and draw the curtains when you go out at night to make your property look occupied.
- Remember to cancel deliveries before you go on holiday.
- Keep an eye on your neighbour's property and encourage them to do the same for you. Report anything suspicious to the police.
- Keep ladders and tools stored away; don't leave them outside where they could be used to break into your home.
- Store any high value items (i.e. jewellery, passports) in a secure place or safe.
- Buy home insurance. It's cheaper than paying out to replace any stolen possessions. Remember: if you don't lock your house, your insurance may not cover you.
- Consider joining or forming a Neighbourhood Watch scheme.

<https://www.warwickshire.police.uk/advice/advice-and-information/wsi/watch-schemes-initiatives/neighbourhood-watch>

Report all suspicious behaviour and follow the advice above to ensure you don't become a victim over the festive period.

Please look out for your family, friends and neighbours. Call 101 for non-emergency or 999 for an emergency. It's better to be safe than sorry!
