From the Sergeant – Andy Scruton

Hello from the Safer Neighbourhood Team.

I would like to start by thanking the local community for their support and continued commitment to helping prevent the spread of coronavirus and following government Covid-19 guidelines. The last few months and changing guidelines have had an impact on everyone's lives and your efforts and cooperation are greatly appreciated and will help save lives.

Having said this, the Safer Neighbourhood Teams have continued to be a presence in the local communities, offering advice, support and guidance to many throughout these challenging times and will continue to address local issues within the community.

Over the past month, the Safer Neighbourhood Teams have been working hard to address local concerns and have been involved in several initiatives to help keep the community safe including targeted patrols in areas, speed checks, road safety advice and helping educate around County Lines. Numerous updates on these projects can be seen on our Nuneaton and Bedworth Facebook page.

Thank you again for your support and cooperation during these difficult times, keep to the guidelines, look out for one another and stay safe.

Sergeant Andy Scruton

Your Beat Manager is **PC Lucy Newman** who is responsible to me for ensuring the Policing Priorities are delivered and that the Safer Neighbourhood Team is fully engaged with the community it polices. Please drop us a line by email or call us by telephone and leave a message and the team will get back to you concerning any issues you may have. See page 3 for all the details on how you can contact your SNT.

How to keep up with Warwick Central Safer Neighbourhood

We are on Twitter: [@NuneatonCops](#)

We are on Facebook: [Nuneaton and Bedworth Police](#)

Out and about with Nuneaton South SNT

September has been a very busy month for the Nuneaton South team!

After receiving multiple reports about people swimming in Ensor's Pool, we are working hard alongside other agencies to make it a safer area for members of the public to enjoy the beautiful views.

We have taken part in the National Police Chief's Council Project EDWARD – Every Day Without A Road Death. As part of Project EDWARD, we have taken actions including issuing fixed penalty notices to drivers (including those who were caught driving over 20mph above the speed limit), have stopped vehicles to ensure that any faults are repaired, and have seized a vehicle being driven while being notified off-road.

Update on our priorities

This month, Nuneaton South are going to be focusing on:

Vehicle Crime

We will be conducting patrols making sure that your vehicles are secure and safe, and that users of nuisance bikes are dealt with appropriately.

If you have any further suggestions as to what our priorities should be then let us know!

**Monthly Message from Nuneaton South Beat
Manager**

Firstly, I would like to say thank you for adhering to Covid regulations. It has been difficult for all of us, both in our working and our private lives, however by sticking to the rules we are all helping to save lives by preventing the spread of Coronavirus.

As a team, we are making sure that the regulations are being followed and are issuing fines to people who are breaching them. We are also looking into other issues such as drug use, antisocial behaviour, and more – with the help of the information from the public of course!

If you have any information you think we should know, then let us know. We are here to make Nuneaton South a better place! Many thanks, Lucy 😊

This month's CRIME PREVENTION advice...

VEHICLE SAFETY:

- Double check that you have locked your vehicle
- Make sure to close windows and sun roofs
- Secure your number plates with tamper resistant screws
- Fit locking, anti-tamper wheel nuts to secure alloy wheels
- Secure anything that's on the outside of your vehicle
- Take your valuables with you, or hide them out of sight
- Hide electrical items and leave no clues
- Mark anything you have to leave in your vehicle as being your property
- Park in well-lit and busier areas
- Take your documents such as insurance documents with you
- Choose your car park wisely
