From the Sergeant – Adam Skelsey

Hello from the Safer Neighbourhood Team.

I would like to start again by thanking the local community for their support and continued commitment to helping prevent the spread of coronavirus and following government Covid-19 guidelines. As the country prepares for the Christmas holidays it is really important to abide by the rules set in place to ensure we all have a safe and enjoyable holiday. If anyone is in any doubt, please refer to the government websites for guidance.

My staff are currently working around the clock in order to Police this, whilst reassuring the more vulnerable at the same time.

My teams in Nuneaton and Bedworth are working extremely hard in the run up to Christmas with several initiatives planned, such as a national drink drive campaign, extra patrols for vehicle crime and burglaries and general reassurance around schools and the parking issues.

A special initiative that is being rolled out again this year is the '12 Days of Christmas', this is a set of events that are planned to ensure safety and advice in the Christmas advent. Every day there will be different themes and events ranging from purse bells to general safety advice. Please see social media to keep posted on what is happening in your areas.

Your Beat Managers are **PC Morrissey, PC Farmer, PC Cooper and PC Roberts** who are responsible to me for ensuring the Policing Priorities are delivered and that the SNT is fully engaged with the community it polices. Please drop us a line by email or call us by telephone and leave a message and the team will get back to you concerning any issues you may have. See page 3 for all the details on how you can contact your SNT.
