From the Sergeant – Adam Skelsey

Hello from the Safer Neighbourhood Team.

I would like to start by thanking the local community for their support and continued commitment to helping prevent the spread of coronavirus and following government Covid-19 guidelines. The last few months and changing guidelines have had an impact on everyone's lives and your efforts and cooperation are greatly appreciated and will help save lives.

Having said this, the Safer Neighbourhood Teams have continued to be a presence in the local communities, offering advice, support and guidance to many throughout these challenging times and will continue to address local issues within the community.

Over the past month, the Safer Neighbourhood Teams have been working hard to address local concerns and have been involved in several initiatives to help keep the community safe including targeted patrols in areas, speed checks, road safety advice and helping educate around County Lines. Numerous updates on these projects can be seen on our Nuneaton and Bedworth Facebook page.

Thank you again for your support and cooperation during these difficult times, keep to the guidelines, look out for one another and stay safe.

Sergeant Adam Skelsey

Your Beat Managers are **PC Morrissey, PC Farmer, PC Cooper and PC Roberts** who are responsible to me for ensuring the Policing Priorities are delivered and that the SNT is fully engaged with the community it polices. Please drop us a line by email or call us by telephone and leave a message and the team will get back to you

Out and about with Nuneaton Town/Central SNT

This month has been a busy one for Nuneaton town and central SNT. There's plenty of news to share on what we have been up to in your local community. We have focused on parking and have issued a number of tickets around the Queens road area to those parked causing an obstruction. There have been a number of operations around the central area focusing on tackling the issues of ASB. This is an ongoing operation which will continue into the coming months. A community Behaviour Order has been issued to well-known beggar which prohibits him from begging in the town centre. A number of warrants have been successfully executed in the central area, resulting in multiple arrests and drug seizures. PC Cooper and Roberts are continuing to work with partner agencies to ensure positive results continue.

This month we have seen the arrival of a new Police Officer for Nuneaton Town – PC Farmer has joined SNT from response and can't wait to get stuck in. PCSO Brown is leaving the Central team to join as a Police officer – we wish her the best of luck!

Update on our priorities

The priorities for Nuneaton Town / Central SNT are:

- **Reduce begging in Nuneaton Town Centre**
- **Reduce ASB in Nuneaton Central hotspots**

There are action plans and operations in place to tackle these issues.

If there are any other suggestions on what the Nuneaton Town and Central SNT should be focusing on please get in contact with us!

Monthly Message from Nuneaton SNT Beat Managers

The town has been seeing more foot fall, this will start to attract the local beggars back into town. We know this is a major concern for a lot of the local residents and shop owners. We now have a Criminal Behaviour Order on Robert Conway one of the beggars that has been identified as a persistent and aggressive begging. This prevents him from sitting outside shops and asking for money or putting items on the floor to suggest he wants money. We have been working with the street cleaners to clear any mess and left items away as quickly as possible. We will continue to work with the council to make the town as clean tidy and pleasant as possible for all the residents and visitors of the town.

Nuneaton Community

RECENT EVENTS THAT HAVE TAKEN PLACE....

If you think you may have seen or heard anything suspicious or have any information about this incident then please call Warwickshire Police on 101 or alternatively you can call Crimestoppers anonymously on 0800 555 111

COVID – STAY SAFE!

Your safety is of paramount importance to the Nuneaton SNT.

When out and about please remember to wear a face mask where applicable, ensure social distancing guidelines are adhered to and remember to follow government guidelines regarding the latest restrictions.

A word of warning – fines have been issued to those not adhering to government guidelines. Stay alert and stay safe!!

This month's CRIME PREVENTION advice...

BIKE THEFTS

Ten ways to help prevent anyone taking your bike:

1. **Register it** via one of our bike coding events or online at bikeregister.com
2. **Record** – take note / photos of your bike frame number and any distinguishing features
3. **Double-lock** – use two good quality locks, of which at least one is a D-lock
4. **Lock all** – lock the frame and wheel to the parking stand
5. **Secure** – lock the bike as close to the stand as possible to make manoeuvring difficult
6. **Remove detachable parts** - take easy to remove parts (such as lights) with you
7. **Park secure** – ideally somewhere well-lit and with CCTV
8. **Safety at home** – take the same care locking the bike away at home as you would on the street
9. **Check ownership** – Ask for proof of ownership and check the bike frame number on the Bike Checker at bikeregister.com
10. **Act fast** – If your bike is stolen, report it as soon as possible. Give us your frame number, bike register number, a photo and any other relevant details. Make sure you update the status on bikeregister.com. The sooner we know, the sooner we can act.

There is an upcoming bike coding event outside Wilkinsons in Nuneaton town centre on Sunday 18th October 11am-12:30pm
