From the Sergeant – Kate Perks 1312

Hello from Nuneaton and Bedworth Safer Neighbourhood Team Sgt's.

This is my first newsletter to you all and I just wanted to introduce myself. I am thoroughly enjoying my new role as safer neighbourhood sergeant and have been settling in over the last couple of weeks. I am looking forward to meeting you all over the coming months and learning more about the communities within Nuneaton and Bedworth.

I hope you all had a good Christmas and New Year and enjoyed the festivities with your family and friends or just enjoyed spending time relaxing!

Our team on safer neighbourhood have been working very hard throughout December on various operations, including supporting other departments where needed during the busy festive period.

Over the last couple of weeks we have had a lot of good results, tackling anti-social behaviour, including utilising our off road bikes in order to target specific issues and deterring this behaviour moving forward.

In regards to our staffing we have seen an influx of Police Constable Degree Apprenticeship officers join our team on attachments. An attachment with SNT is part of their programme whereby they learn different skills, build relationships with partnerships whilst developing knowledge on specific types of crime and how they affect communities.

Just a quick reminder – when reporting a non - emergency incident or issue please continue to use the 101 number, but if it is an emergency with life or property at stake then please feel free to call 999.

Going forward there are lots of planned events for January, including the Neighbourhood policing awareness week commencing on the 19th January.

Happy New Year,
T/PS Kate Perks

We have regular complaints of parking in the vicinity of schools. Please pay attention to the advice below in order to keep children safe and to avoid being issued a fixed penalty notice. We patrol our schools and will be issuing tickets to offending vehicles.

Think before you park!

Illegal and irresponsible parking can put lives in danger

If you choose to ignore this advice you may be prosecuted.

The safety of pedestrians is far more important than finding a close spot to leave your car. Always think before you park.

If you think you may have seen or heard anything suspicious or have any information about this incident then please call Warwickshire Police on 101 or alternatively you can call Crimestoppers anonymously on 0800 555 111

A MESSAGE FROM PC2113 BEACHAM

Happy new year to all the residents in Nuneaton East, I hope you had a happy and safe Christmas.

I am looking forward to engaging with you all as we at the Safer Neighbourhood Team continue to target crime and keep our communities safe.

We have been working really hard to keep crime low throughout December, with only a small increase in the number of calls received for car theft and burglary in the area.

Our regular patrols are ongoing, we will continue to look at the problems of antisocial behaviour from nuisance vehicles, by regularly patrolling our Dual Purpose Motorcycles, and update our Community engagement meetings and live feed forums on our Facebook live events. Any suspicious behaviour can also be reported online at Warwickshire Police website.

Please call 999 emergency, and 101 non emergency.

PC 2113 Craig Beacham.
