From the Sergeant – Elliott BUTLER 1614

Hello from Nuneaton and Bedworth Safer Neighbourhood Team Sgt's.

Having now settled into my role, speaking to my teams whilst getting to know some of the local residents, neighbourhood watch and Councillors I now have a greater understanding of the larger community issues that are causing some concern or having an impact on either you personally or on the local community.

As your local safer neighbourhood team we have a real passion in protecting our communities from harm and with this in mind we implore you to continue to engage with your local officers reaching out to them, reporting any issues or concerns either directly in person whilst their out on visible foot patrols or via any other suitable communications so we can advise and support you appropriately.

Alternatively you can ring 101 or report incidents online and consider the use of the charity crime stoppers (anonymously) by speaking to us, providing the right information allows us to target specific problem areas aiding in protecting you and your communities.

Please help us to help you keeping your communities safe!

Unfortunately I can't not mention Covid and with the recent restrictions lifting I know most are excited to get out! But please be cautious about this and may I ask that you continue to be patient and respectful to each other whilst continuing to adhering to the recent guidance. I also take this time to remind people of the new variant with an increase of this recently reported in the media locally to Nuneaton.

I do hope people have had an opportunity to see loved ones and maybe even get an opportunity to eat or have a drink out with friends.

It's recognised however that Covid Lockdown has left some people feeling even more isolated or lonely. If you need support or assistance reach out and speak to people who can assist you or if you identify someone that maybe vulnerable please let us know.

We as a team have started to increase both proactive plain clothed and uniform operations and patrols, targeting problem areas identified to us.

Please follow our Social media which provides further information whilst signposting you to other partners agencies who we continue to work closely with.

It's a great way to stay informed and raise any issues or concerns you may have.

Thank you and stay safe.

Regards Elliott
PS 1614 BUTLER

How to keep up with Nuneaton East Safer Neighbourhood Team

We are on Twitter: [@Nuneatoncops](#)

We are on Facebook: [Nuneaton and Bedworth Police](#)

Speed Checks

Nuneaton East Team have been listening to concerns in the community in regards to vehicles speeding in residential areas. We have conducted speed checks in the following areas;

Pallet Drive
Milby Drive
Churchfields Estate

In total 78 vehicles had their speed checked and of those, 7 vehicles were found to be speeding. Warnings have been issued.

We would like to remind road users to be aware of the speed limits on the roads they use.

Community Speedwatch (CSW) is a national initiative where active members of local communities join together to monitor speeds of vehicles in their local area with support from the police. In Warwickshire each group uses the LTI Speed Lasers independently purchased by either the group itself or the local parish council.

Any vehicles found to be exceeding the speed limit are referred to Warwickshire Police and receive a letter with the aim of educating drivers to reduce their speeds. However, in cases where education is ignored and there is evidence of repeat or excessive offences, even across county borders, follow up action will be taken.

For more information about CSW please visit <https://www.communityspeedwatch.org> or email the team to express an interest.

Update on our priorities

The priorities for Nuneaton East are:

- **Reduce ASB in Nuneaton East hotspots**
- **Keep acquisitive crime low**

If there are any other suggestions on what Nuneaton East SNT should be focusing on, please get in contact with us.
