## From the Sergeant – 946 Scruton

Hello from the Safer Neighbourhood Team.

I would like to start again by thanking the local community for their support and continued commitment to helping prevent the spread of coronavirus and following government Covid-19 guidelines. As the country moves into different tiers, it becomes more complicated for the general public to ascertain what the rules are. If anyone is in any doubt, please refer to the government websites for guidance.

My staff are currently working around the clock in order to Police this, whilst reassuring the more vulnerable at the same time.

With all this in mind, crime is still happening and the SNT teams are still working on general daily business tackling this, and also have several special operations ongoing, tackling more acute issues across the borough. These include the anti - social behaviour issues around the areas to mention but a few.

This month there will be an exciting new feature coming to you all from the SNT's. We have realised we cannot get your views from the more traditional methods like community forums and neighbourhood watch meetings during the pandemic, therefore we will be bringing to you a Facebook live event. This is an exciting opportunity for you to ask questions to the team and get instant answers live. We are hoping to roll this out in mid to late November, date to be confirmed.

Thank you again for your support and cooperation during these difficult times, keep to the guidelines, look out for one another and stay safe.

Sergeant Andy Scruton

Your Beat Manager is **PC Tom Stevenson** who is responsible to me for ensuring the Policing Priorities are delivered and that the Safer Neighbourhood Team is fully engaged with the community it polices. Please drop us a line by email or call us by telephone and leave a message and the team will get back to you concerning any issues you may have. ## **Out and about with Nuneaton East SNT**

### **Burglary Statistics**

This month we have continued to see a significant reduction in Burglaries in comparison to October 2019. As the winter and darker nights approach us, we encourage people to invest in timer switches and make sure all doors and windows are secure. We continue to conduct Burglary patrols across the Nuneaton East area.

### **Theft of vehicle**

This month a vehicle was stolen without keys from an address in Weddington. Thanks to the power of social media and the vigilant public, the vehicle was spotted and recovered by officers from Warwickshire Police. Please be alert and contact the Police if you witness any suspicious activity within your community.

### **Operation Six – Covid-19**

Warwickshire Police is committed to playing our part in reducing the transmission of COVID-19. Preventing the spread of the virus is a shared effort in which we will continue to play a critical role alongside health colleagues, Government, businesses, local authorities and our communities.

Under the new rules, people may not participate in social gatherings, in any place, in groups of more than 6. These rules apply across England, to all ages, to gatherings indoors and outdoors, in private homes, public outdoor spaces and venues such as pubs and restaurants, and these rules replace all previous regulations.

**We continue to monitor the latest restrictions and are issuing fines where applicable.**

### **Replacement of PCSO Julie Green**

We are expecting to be able to introduce the newest member of Nuneaton East SNT in the coming month. We are looking forward to welcoming a new team member.

### **Update on our priorities**

The priorities for Nuneaton East are:

- **Reduce ASB in Nuneaton East hotspots**
- **Keep acquisitive crime low**
- 

If there are any other suggestions on what Nuneaton East SNT should be focusing on, please get in contact with us.
