From the Sergeant – 1614 BUTLER

Hello from Nuneaton and Bedworth Safer Neighbourhood Team Sgt's.

It is now summer, but with the weather as it is you might not think so. And we have to holiday at home in this country, let us hope it improves.

As your local safer neighbourhood team we have a real passion in protecting our communities from harm and with this in mind we implore you to continue to engage with your local officers reaching out to them, reporting any issues or concerns either directly in person whilst their out on visible foot patrols or via any other suitable communications so we can advise and support you appropriately.

Alternatively you can ring 101 or report incidents online and consider the use of the charity crime stoppers (anonymously) by speaking to us, providing the right information allows us to target specific problem areas aiding in protecting you and your communities.

Please help us to help you keeping your communities safe!

As the full lockdown has not yet been lifted and now looks likely that it will be 19th July, we just need to remain focused until then in order to stay as safe as we can.

For those who like football, I hope you are enjoying the Euros.

Regarding the team, we have started to increase both proactive plain clothed and uniform operations and patrols, targeting problem areas identified to us.

We have completed several drugs warrants with some excellent results and have more planned, watch this space for further updates.

Also, Facebook live events will be back this month after a short break due to the elections. Please keep an eye out for the dates and get involved.

Please follow our Social media which provides further information whilst signposting you to other partners agencies who we continue to work closely with.

It's a great way to stay informed and raise any issues or concerns you may have.

Thank you and stay safe.

Regards Elliott

VEHICLE CRIME

We are receiving reports of thefts from vehicles in the St Nicholas Park and Horeston Grange area of Nuneaton East.

We would like to remind residents to make sure they are securing their valuables and locking their vehicle's.

We also urge residents to report any suspicious behaviour via our control room on either 101 or 999 in an emergency.

If you think you may have seen or heard anything suspicious or have any information about this incident then please call Warwickshire Police on 101 or alternatively you can call Crimestoppers anonymously on 0800 555 111

Out and about with Nuneaton East SNT

Section 59's issued!

June saw PCSO Venus issuing 2 section 59's to off road bikes that had been driven on private land in an anti-social manner. A section 59 lasts for 12 months and gives police the power to seize the vehicle being driven if it is seen to be driven again in an anti-social manner.

Bike coding!

Nuneaton East have been running bike coding events across the Weddington Area. These have been a huge success and we urge residents to come along to our next event on Saturday 10th July – 3pm - Horeston Grange retail car park. Please come and have your bicycles security marked and meet the team.

Residents are also welcome to come along to discuss any issues they may be having or just to have a friendly chat.

Weddington Primary School – cycling proficiency!

Officers from Nuneaton East saw children from Weddington Primary completing their cycling proficiency whilst on patrol. Members of the team then attended the school to give out high visibility jackets and lights to ensure the children remain safe when out cycling. We were really pleased to see the school engaging in such a positive scheme.
