From the Sergeant – 946 Scruton

Hello from the Safer Neighbourhood Team.

I would like to start again by thanking the local community for their support and continued commitment to helping prevent the spread of coronavirus and following government Covid-19 guidelines. As the country prepares for the Christmas holidays it is really important to abide by the rules set in place to ensure we all have a safe and enjoyable holiday. If anyone is in any doubt, please refer to the government websites for guidance.

My staff are currently working around the clock in order to Police this, whilst reassuring the more vulnerable at the same time.

My teams in Nuneaton and Bedworth are working extremely hard in the run up to Christmas with several initiatives planned, such as a national drink drive campaign, extra patrols for vehicle crime and burglaries and general reassurance around schools and the parking issues.

A special initiative that is being rolled out again this year is the '12 Days of Christmas', this is a set of events that are planned to ensure safety and advice in the Christmas advent. Every day there will be different themes and events ranging from purse bells to general safety advice. Please see social media to keep posted on what is happening in your areas.

Last month there was an exciting new feature, the Facebook live event. This was really well received and had some great reviews, if you were involved, thanks for your participation, if not, please try and join us next time. Hopefully 2021 will bring better fortunes than 2020.

Merry Christmas to you all and a Happy and Healthy New Year.

Thank you again for your support and cooperation during these difficult times, keep to the guidelines, look out for one another and stay safe.

Sergeant Andy Scruton

Out and about with Nuneaton East SNT

Vehicle Crime Operation

On the evening of Thursday 19th November, members of Nuneaton and Bedworth Safer Neighbourhood Team conducted a vehicle crime operation aimed at increasing awareness of vehicle security.

This involved a team of PC's and PCSO's patrolling areas of Nuneaton East (Weddington, St. Nicholas Park, Horeston Grange & Whitestone) and trying vehicle door handles throughout the evening.

In total 2,684 vehicles were checked and 157 vehicles were found to be open and insecure. Advice was given to the owners of these vehicles. This information was greatly received and the vehicles secured.

Whilst conducting foot patrols during the operation, police officers spotted a wanted male who attempted to evade them. Police arrested the male and he will remain in police custody in order to be put before the next available court.

This operation was aimed at raising awareness and providing crime prevention advice within the local community. We urge everybody to keep their vehicles and belongings secure at all times.

Replacement of PCSO Julie Green

We are very pleased to be able to introduce PCSO Tom Venus who has now joined us on the Nuneaton East Team. Tom joined Warwickshire Police in February this year and already has experience working other areas of Nuneaton. Tom is an asset to our team.

Operation Six – Covid-19

Warwickshire Police is committed to playing our part in reducing the transmission of COVID-19. Preventing the spread of the virus is a shared effort in which we will continue to play a critical role alongside health colleagues, Government, businesses, local authorities and our communities.

We continue to monitor the latest restrictions and are issuing fines where applicable.

Update on our priorities
