

NUNEATON TOWN & CENTRAL Update

MAY 2021

**All the latest from your
Safer Neighbourhood Team**

All the latest about what we are doing and what is going on in and around your home and area.

Hi from Nuneaton and Bedworth Safer Neighbourhood Team!

Hello from Nuneaton and Bedworth Safer Neighbourhood Team Sgt's.

Having now settled into my role, speaking to my teams whilst getting to know some of the local residents, neighbourhood watch and Councillors I now have a greater understanding of the larger community issues that are causing some concern or having an impact on either you personally or on the local community.

As your local safer neighbourhood team we have a real passion in protecting our communities from harm and with this in mind we implore you to continue to engage with your local officers reaching out to them, reporting any issues or concerns either directly in person whilst their out on visible foot patrols or via any other suitable communications so we can advise and support you appropriately.

Alternatively you can ring 101 or report incidents online and consider the use of the charity crime stoppers (anonymously) by speaking to us, providing the right information allows us to target specific problem areas aiding in protecting you and your communities.

Please help us to help you keeping your communities safe!

Unfortunately I can't not mention Covid and with the recent restrictions lifting I know most are excited to get out! But please be cautious about this and may I ask that you continue to be patient and respectful to each other whilst continuing to adhering to the recent guidance. I also take this time to remind people of the new variant with an increase of this recently reported in the media locally to Nuneaton.

I do hope people have had an opportunity to see loved ones and maybe even get an opportunity to eat or have a drink out with friends.

It's recognised however that Covid Lockdown has left some people feeling even more isolated or lonely. If you need support or assistance reach out and speak to people who can assist you or if you identify someone that maybe vulnerable please let us know.

We as a team have started to increase both proactive plain clothed and uniform operations and patrols, targeting problem areas identified to us.

Please follow our Social media which provides further information whilst signposting you to other partners agencies who we continue to work closely with.

It's a great way to stay informed and raise any issues or concerns you may have.

Thank you and stay safe.

Regards Elliott

**How to keep up with Nuneaton Town & Central Safer
Neighbourhood Team**

We are on Facebook:  **Nuneaton and Bedworth Police**

Nuneaton Town & Central Activity

- PCSO Mollie Thompson has been working from Atherstone and will be continuing to do so for another couple of months.
- PSCO'S have been in town centre speaking to the community about their local issues within Nuneaton and also giving the opportunity to join Neighbourhood Watch Scheme. During this event 8 new members were signed up to the neighbourhood watch scheme
- The team have issued a number of Begging warning to individuals, this will continue to be monitored. We urge public to report to use if you are asked for money within Nuneaton town centre.
- A drugs warrant was executed at Jodrell Court by Proactive CID team – Arrests were made. Drugs were seized and a large sum of cash.

- Safer neighbourhood team have been partnership working with other agencies to look at resolving issues, such as council, CGL, P3.
- 3 Anti-social behaviour warnings have been issued to youths causing issues within the town centre

Update On Our Priorities

Town Centre:

- Begging
- Alcohol issues within town centre
- Anti-social behaviour

Central:

- Local parking issues
- Drugs
-

- Gathering limits have been eased. Outdoor gatherings are limited to 30 people and indoor gatherings are limited to 6 people or 2 households (each household can include a support bubble, if eligible).
- New guidance on [meeting friends and family](#) emphasises personal responsibility rather than government rules. Instead of instructing you to stay 2m apart from anyone you don't live with, you are encouraged to exercise caution and consider the [guidance on risks associated with COVID-19 and actions you can take](#) to help keep you and your loved ones safe. Remember that the risks of close contact may be greater for some people than others and in some settings and circumstances, [there will be specific guidance that you will need to follow even when you are with friends and family](#).
- Indoor entertainment and attractions such as cinemas, theatres, concert halls, bowling alleys, casinos, amusement arcades, museums and children's indoor play areas are permitted to open with COVID-secure measures in place.
- People can attend indoor and outdoor events, including live performances, sporting events and business events. Attendance at these events is capped according to venue type, and attendees should follow the COVID-secure measures set out by those venues.
- Indoor hospitality venues such as restaurants, pubs, bars and cafes can reopen.
- Organised indoor sport can take place for all. This includes gym classes. It must be organised by a business, charity or public body and the organiser must take reasonable measures to reduce the risk of transmission.
- All holiday accommodation can open, including hotels and B&Bs. This can be used by groups of up to 6 or 2 households (each household can include a support bubble, if eligible).

TOWN & CENTRAL

Monthly Message from your Beat Managers...

Nuneaton Town and Central team have had a busy month. As lockdown restrictions ease we have seen a rise in the number of people getting back out and about with normal business which is welcoming to see. We have been busy with extra patrols in the Town and around Central area. After receiving complaints about Anti-Social behaviour in the Town we have begun issuing warning letters to those involved and recently made arrests in relation to persistent begging. Those individuals have appeared in court and their cases have been adjourned. With that in mind can we please ask members of the public if they wish to give money and goods to people they do so through a registered charity and not to those persons directly. Finally, we hope as the weather continues to rise and with the upcoming Euro's we see you all out and about enjoying yourself and keeping safe.

CRIME PREVENTION ADVICE ON BEGGING

This month we would like to raise awareness of why you should not give money to beggars...

- A lot of the time, the money you give to the “homeless” goes on drugs/alcohol. So although you are just trying to ensure that they do not go without food, you could be killing them with kindness by contributing to the drugs that they overdose on
- Not all of the people that you are giving money to are actually always homeless. Many beggars are pretending to be homeless, when in fact they have accommodation and are receiving benefits.
- Giving money to beggars gives them no incentive to get off the streets as they are receiving money that they can spend on whatever they like.

Instead of giving money directly to beggars, you could donate to charities that help get homeless people back on track and give them a future advice, accommodation options, support and life skills development.

In Nuneaton Town Centre, we're lucky enough to have 3 charities that specialise in assisting those who are struggling. Below are some links to where you can donate...
