From the Sergeant – Andy Scruton

Hello from the Safer Neighbourhood Team.

I would like to start again by thanking the local community for their support and continued commitment to helping prevent the spread of coronavirus and following government Covid-19 guidelines. As the country has had to compromise on our Christmas celebrations, we look forward to a new and hopefully better 2021 !!

It is really important to abide by the rules set in place to ensure we all have a safe and enjoyable upcoming year. If anyone is in any doubt, please refer to the government websites for guidance.

My teams in Nuneaton and Bedworth have worked extremely hard over the Christmas break with extra pressures this time with the ongoing restrictions in place.

December was a very busy month on more typical issues, including several large cannabis factories that were found and dealt with. The enquiries and investigations are ongoing and cannot be currently commented on, however, lots of disruption to organised crime groups has certainly taken place. Staff dealing with these have my special thanks as they are not easy to deal with from an investigative point of view and also a physical aspect, being amongst the plants which give off the most repugnant of smells.

Also worthy of note is the fantastic initiatives the teams worked on in the run up to Christmas aside from criminal matters, particularly the Christmas card giving and meal donations completed to the elderly and vulnerable in Bedworth.

The initiatives in Nuneaton whereby staff were out ensuring the elderly and vulnerable were taken care of with welfare packs distributed.

We continue with the Facebook live event. This was really well received and had some great reviews, if you were involved, thanks for your participation, if not, please try and join us next time.

Hopefully 2021 will bring better fortunes than 2020.

Thank you again for your support and cooperation during these difficult times, keep to the guidelines, look out for one another and stay safe.

Sergeant Andy Scruton

Your Beat Managers are PC Farmer, PC Cooper, PC Morrissey, PC Roberts who are responsible to me for ensuring the Policing Priorities are delivered and that the Safer Neighbourhood Team is fully engaged with the community it polices. Please drop us a line by email or call us by telephone and leave a message and the team will get back to you concerning any issues you may have. See page 3 for all the details on how you can contact your SNT.

How to keep up with Nuneaton West Safer Neighbourhood

We are on Twitter: [@NuneatonCops](#) 

We are on Facebook: [Nuneaton and Bedworth Police](#)

Out and about with Nuneaton TOWN/CENTRAL

TOWN

In town 9 anti-social behaviour letters were issued to young people that have caused issues with town centre. Furthermore, SNT continues to monitor the vehicles using town centre. No vehicles should be in town centre except drivers with disability badges, deliveries that are made to businesses or taxis that are collecting a person or persons. On the 8th December PCSO's were in town giving out purse bells and offering advice about keeping your bags and purse safe whilst shopping. Later, on 18th December town centre PCSO's were giving out security advice and packs that contained information and some items to help. A section 59 notice was issued to driver that drove through town in an anti-social manner. Additionally, plain clothes patrols have been completed in the town on the lead up to Christmas. On the days this was completed no thefts were reported. It was sad to see PC Lewis leave the team. However, he is staying in SNT but is moving to another beat area.

Central

PC Morrissey, PS Scruton and PCSO Saracevic-Hujic from Nuneaton SNT has completed 2 Facebook streams. The officers used the Nuneaton Community Forum and the Neighbourhood Watch Facebook page to live stream and answer questions through the two platforms. This has shown to be a great way to communicate and get feedback from the residents and the local community. This was completed as a new way to reach out more people from all age groups who usually may not attend community forums. The first forum for the town had 162 questions during the 1 hour 10 minute live stream with around 10,000 views. The local live stream had 57 questions and was seen live by 570 people with 340 people who remained in the full 40 minute live stream till the end. This also helped increase the membership of the Nuneaton and Bedworth police Facebook page by 8. The events have been well received by the public with another live stream for the whole town planned on the 21st of December.

Stay safe, look out for each other and help protect lives

PCSO SARACEVIC has visited Saints and met up with Simon Tipping from Eaton House offering a helping hand organising xmas hampers.

PCSO SARACEVIC and the central team have been working in partnership with Warwickshire PCC and Warwickshire Road Safety Education/Active Travel to deliver 'Cars and Kids Don't Mix' banners to local schools in central area.

Queen's Church Of England Academy on Bentley Road/Merevale Avenue and C of E Infants School on Aston Road Nuneaton will launch this campaign in the New Year asking drivers to park safely and considerably away from the school gates.

Update on our priorities

This month, the Nuneaton Central Priorities are:

- The use of vehicles driving in the town centre/ partnership with council
- To collate intelligence surrounding drug use in the central area

Stay safe, look out for each other and help protect lives

If you have suggestions or concerns that you would like the Team to look at, please email the Team.

Don't forget.....

**17th January 2021 – Bike coding 3-5pm near to
Wilkinson in Town Centre.**

Monthly Message ...

Hi from the Nuneaton Central and town team,
Well 2020 wasn't the best of years with us all having to come to terms in dealing with a pandemic and it was an unprecedented year in terms of Policing also. However in addition to having to deal with ever changing Covid-19 legislation, everyday Policing continued especially for your neighbourhood officers. Over the festive period the community support officers have been out and about in all types of weather conditions with the 12 days of Christmas campaign distributing crime prevention advice etc. to the local community. As beat managers we would like to thank them for their continued efforts throughout the year as they do not always get the recognition they deserve.
Going forward the challenges around Covid-19 look set to continue so can we thank-you all for your efforts thus far and ask that we each continue to play our part in helping to reduce the spread.

If you have any community concerns/issues you wish to discuss then please do not hesitate to contact us
