## Incidents reported during June 2021:

A number of incidents, including domestic situations, disputes between neighbours involving anti-social behaviour, vulnerable people and child safeguarding issues were reported and followed up by the local SNT team and operational units.

If you have information relating to the referenced incidents please call 101 quoting the number and date.

### Wellesbourne Area:

228-22/06 Wyvern Close,  
Wellesbourne

Two bikes stolen from garden – pink ladies mountain bike and yellow universal mountain bike. Neighbour witnessed a grey van pull up at 07:30 with a male driver and a female dressed in cycling leggings and hi-vis waterproofs. Bikes were loaded into van and the registration noted.

We are aware of concerns raised recently surrounding a red Volvo SUV, and the manner in which it is being driven in the Wellesbourne & Walton area, and we will be getting in touch with the registered keeper regarding these concerns.

Please note, if you have any footage of this, or any other vehicle that may show driving offences, you can submit this on the Warwickshire Police website under 'Operation Snap'.

As part of Operation Snap, members of the public can report and submit digital footage showing potential moving traffic offences.

This can range from driving dangerously or carelessly to overtaking on solid white lines, using a mobile phone while driving, ignoring traffic lights or dangerous driving around other road users, such as horse riders and cyclists.

For moving traffic offences, your submission to Operation Snap will be sent to Warwickshire Police where the evidence will be reviewed by one of our road traffic police officers.

All submitters will be updated, as of 11/5/21, following the initial review. Submitters will be informed if the case will be progressed or not. If the case isn't evidentially strong the rationale for no further action will be explained.

Any footage submitted through the portal can be used by us to help educate other road users and to advise on case results.

Submissions should be made regarding one offending vehicle at a time only. Submissions relating to more than one offending vehicle will be rejected. If you need to report more than one offender then please send the reports separately.

Windscreen smashed on parked vehicle overnight 12/13 06.

297-14/06 Edgehill Road, Lighthorne Heath

Occupants returned to property after a weekend away and found that two glass panels in the front door had been smashed.

## Burton Dassett Area:

439-05/06 Burton Dassett Hills Country Park

Report of a group of approx. 10 cars driving at speed on/off road, sounding horns and chasing sheep.

The National Fraud Intelligence Bureau (NFIB) is warning the public to be vigilant of scam calls that appear to be coming from numbers similar to their own. Commonly, the first seven digits (07nnnnn) match the victim's own number. The calls impersonate well-known government organisations, or law enforcement agencies, and will ask the recipient of the call to "press 1" in order to speak with an advisor, or police officer, about unpaid fines or police warrants.

In May 2021, Action Fraud received 2,110 scam call reports where the caller's number matched the first seven digits of the victim's own phone number. Of these, 1,426 (68%) referred to HMRC or National Insurance.

Victims have also reported receiving these types of calls, and messaging, via widely-used messaging apps, such as WhatsApp.

## Protect yourself - What you need to do

- Government and law enforcement agencies will not notify you about unpaid fines or outstanding police warrants by calling or texting you. Do not respond to any calls or texts you receive about these.

Always take a moment to stop and think before parting with money or your personal information, it could prevent you from falling victim to fraud.

Remember, it's okay to reject, refuse or ignore any requests. Only criminals will try to rush or panic you.
